STUTT GART LASER TECHNOLOGY FORUM 2022

Highlights and innovations in the field of industrial laser-based manufacturing will bring together experts and users at the eleventh Stuttgart Laser Technology Forum (SLT) from 21 until 22 June 2022.

- Simultaneous translations in German and English will be available.
- The registration for participation starts in January 2022.

THE SLT TAKES PLACE IN CONJUNCTION WITH THE INTERNATIONAL TRADE FAIR FOR LASER MATERIAL PROCESSING (LASYS).

LASYS IS THE LEADING INTERNATIONAL TRADE FAIR TO FOCUS ON THE USE OF LASERS IN INDUSTRIAL MANUFACTURING.

The LASYS logo is a white circle containing the word "LASYS" in a bold, black, sans-serif font. A thin orange diagonal line crosses through the letters "A" and "S".
